INTERSECTION IMPROVEMENTS WELCOMED BY NOLAN

The Department of Main Roads will soon begin work to upgrade the intersection of Limestone Street and East Street in Ipswich, Member for Ipswich Rachel Nolan said today.

The work is scheduled to start in August and it is expected to be completed at the end of September, weather permitting.

“This particular intersection is very busy, not only for cars but also for pedestrians and much of the work being done is to improve pedestrian access,” Ms Nolan said.

“In addition to pedestrian improvements, right and left turn arrows will be installed into both East and Limestone Streets and existing signals will be upgraded to current standards.”

A more detailed description of works being carried out has been sent in the form of a flyer to local residents and businesses surrounding the site.

Anyone who hasn't received this flyer but who would like a copy should call the Ipswich Electorate Office on 3202 3452 or email ipswich@parliament.qld.gov.au.
