Ipswich Organisations benefit from Multicultural Assistance Programs

“The latest round of Multicultural Assistance Programs grants have been announced and Ipswich is well supported” stated Ms Rachel Nolan, Member for Ipswich.

“The successful applicants are a tribute to the strong and effective work of our community groups”, said Ms Nolan.

“Ipswich has a rich history of multiculturalism. The Ipswich of today has been built on the contributions of those from our diverse cultural history,” said Ms Nolan.

“We are all part of this fabric of diversity, and by celebrating and building on this heritage, we confirm and extend our humanity and sense of community,” added Ms Nolan.

The grants will help with the organisation of volunteer English language tutors, the setting up of scholarships for overseas orphans, and support a festival of multiculturalism in Ipswich.
