State Government extends support to OzCare Turnaround Program

“The State Government is fighting homelessness in the Ipswich area through its funding of OzCare’s Turnaround Program” stated Ms Rachel Nolan, Member for Ipswich.

“The Turnaround Program provides accommodation support services to participants referred under the Drug Court Program during the term of their Intensive Drug Rehabilitation Order”, said Ms Nolan.

“Drug addiction is a terrible disease that initiates devastating outcomes for addicts, such as homelessness,” said Ms Nolan.

“This funding will help provide accommodation for those undergoing rehabilitation. This is one step towards the goal that will see ex-addicts become healthy and productive members of our community,” added Ms Nolan.

“These funds have been made available within the Homelessness key funding area. The basis for the funding is the Family Services Act 1987.”

“This support from the State Government through OzCare creates one less hurdle in the difficult journey towards rehabilitation,” said Ms Nolan.
