PCYC Community Playground officially opened

\$50,000.00 from the Department of Communities was awarded to the Ipswich PCYC in January of this year, under the "Supporting Community and Neighbourhood Centres stage 2".

Today Rachel Nolan MP, Member for Ipswich opened the Community Playground that this funding facilitated.

The PCYC community playground was completed about 3 weeks ago at a total cost of approximately \$60,000.

"This playground is now used and enjoyed by hundreds of PCYC member families, and others in the community have access on weekends when the playground is opened up to the public" said Ms Nolan.

The playground includes many of the usual features of modern playgrounds such as shade sail, soft fall flooring, is suitable for children from prep age to year 7, and is fully fenced.

"The play equipment was especially chosen to be physically challenging to encourage fun exercise, just another example of how Ipswich is contributing to the quest for a healthy Queensland" said Ms Nolan.
