## **Safety Improvement works at the Brisbane Road & South Station Road intersection**

Improvements to the safety and efficiency of the intersection of Brisbane Road and South Station Road will commence this month Ms Nolan announced today.

These improvement works will include:

- Modified right-turn arrow signals for motorists turning from Brisbane Road into South Station Road from both approaches, allowing more turning time;
- Upgrading the existing traffic lights to brighter lanterns;
- Installing skid resistance treatment on Brisbane Road between South Station Road and Booval Street.

“This work is essential to managing the flow of traffic through this busy intersection and to improve safety overall” Ms Nolan said.

Works will commence this month and completed by early May 2009, weather permitting. The work will occur outside peak hours at 8pm to 5am Friday to Wednesday and 10pm to 5am on Thursday.
