## **18 Ipswich Sports Clubs Receive Government Grants**

18 Ipswich sports clubs have received grants from the Bligh Government to upgrade facilities and provide training for volunteers.

The grants, provided through the Minor Sports Facilities Fund and the Club Development Program are worth more than \$120,000 in total.

The largest grant is \$60,267 awarded to Central Districts Cricket Club to construct cricket nets and lighting.

Member for Ipswich Rachel Nolan welcomes the funds.

“Ipswich is a sport city. We have a great history of culture of participation in sport and these grants will ensure that today’s kids continue to get those opportunities.”

“I grew up playing sport in Ipswich – hockey, running, netball, softball and vigoro.”

“I was never super elite but sport did build my character and create the habits of healthy living.

“Twenty years later I remain grateful for the coaches who volunteered and the friends and opportunities I had through sport.”

A full list of grants is attached.
