### **New Play Fort for Community Child Care Centre**

\$14,180.10 from the Gambling Community Benefit Fund granted to the Cribb Street Child Care Centre has facilitated the purchase of much needed equipment and resources.

Today Rachel Nolan MP, Member for Ipswich officially opened the play fort constructed with some of this grant money, to the delight of the children who attend the centre on a daily basis.

“This 33 year old community based child care centre is attended by up to 44 children full time and this new play fort, and the other equipment purchased with the grant funds, will enrich their time here at the centre” said Ms Nolan.

The play fort includes many of the usual features of modern playgrounds such as soft fall flooring and enviro-edging, is suitable for children aged 3-5 years, and provides the opportunity for the children to climb, swing, explore and play imaginary games.

“The play fort will encourage fun exercise, and is just another example of how Ipswich is contributing to the quest for a healthy Queensland” said Ms Nolan.
